DATE OF BIRTH 6th March, 1991

OBJECTIVE I am a motivated and reliable second year student seeking an 'Xmas Casual' job with XYZ. I am committed to working, and am reliable and punctual in all aspects of my life. Being brought up on a farm, I am used to heavy labour, working to tight deadlines and standing for long periods of time. I will be flexible and devoted to a job with the Royal Mail during the Christmas vacation due to the extended length of time students get off from university at this time of the year.

PROFESSIONAL
EXPERIENCE

Prosiect Menai, Menai Bridge, Wales

2008 – present

Web Designer

- Designed and coded websites from scratch for a local charity and a local community.

This job involved commitment and self-discipline to complete the task to a deadline, as well as co-operation and teamwork skills whilst receiving ideas and feedback from the community on the website.

The client's satisfaction with the result lead to further employment, with the need for increasingly complex websites and ideas.

National Trust, Plas Newydd, Wales

2005 – 2008

Bookshop Volunteer & Car Park Attendant

- Cashier; selling & packaging books
- Managing inventory & stock
- Car Directing
- Public Assistance

This volunteer job involves good communication & people skills; greeting customers with warm welcomes and aiding with with item handling & locating.

I also worked professionally as a car park attendant, aiding the public & offering assistance and driving elderly & disabled persons around the National Trust property.

OTHER EXPERIENCE **Air Cadets**, 1557 Sqn, Bangor, Wales

2004 – present

Instructor Cadet Flight Sergeant & Staff Cadet

- Organising activities and supervising
- Teaching and giving presentations
- Recruitment & representing the UK abroad
- Community service & Charity work

My time in the air cadets has given me countless opportunities such as gliding and flying scholarships, camps to Germany and Canada. It has also taught me to be presentable, self-disciplined, logical, thorough, and respect authority.

Bangor Cathedral Choir, Bangor, Wales

1998 – 2005

Head Chorister

- Organised & lead over 18 fellow choristers
- Learnt the values of punctuality and attendance, attending the cathedral 6 times a week, all year for over 7 years.

WORK EXPERIENCE **Industrial Development Bangor (IDB)**, Bangor, Wales

Summer 2007

Engineering services and solutions ranging from electrostatic instrumentation to space technology

Airbus UK, Filton, Bristol

Summer 2006

Leading aircraft manufacturer with the most modern and comprehensive product line

Airworld, Caernarfon, Wales

Summer 2005

Aviation museum, tourist attraction and operational airfield

WWOOF, Vidauban, Provence-Alpes-Côte d'Azur, France

Summer 2009

Volunteer work on a French, isolated organic farm in the remote Massif des Maures mountain range
